For nine years our planted arrangements and plants have led the field for quality, condition and salability. A year ago our sales in both lines had increased to a point where they taxed our facilities, and we decided to discontinue the planted arrangement line and did not catalog it in our last year's price list. So many of our customers continued to ask for and order planted arrangements that we have never entirely discontinued making them. During the last year, we have greatly increased our facilities and have decided to again offer planted arrangements to the florist trade.

TERMS OF SALE

This list supercedes and cancels all previous lists or quotations.

Such a large proportion of the cost of planted arrangements goes into the containers, packing materials and labor that we find it necessary to keep this end of the business on a Cash with Order basis. Express C.O.D. shipments will be made where a deposit of one-half the amount of the order accompanies the order.

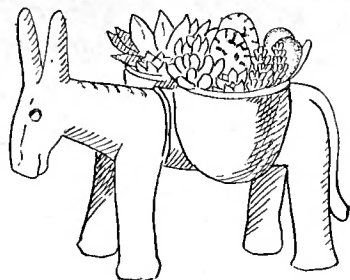

GUARANTEE: We absolutely guarantee satisfactory quality and safe arrival of all goods shipped by us on Express shipments.

Should a customer be dissatisfied with the quality of the goods, the shipment may be returned to us immediately, packed as received, Express Collect, and we will refund the amount we received for the goods.

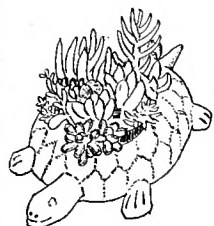

Should goods be received in damaged condition, make claim with the Express Company and notify us immediately and we will make up any losses to our customers above damages paid by the Express Company on any such damaged goods.

All goods ordered shipped by Freight, Truck Freight, Parcel Post, etc., will be shipped at purchaser's risk and the above guarantee will not apply.

DISCOUNTS: All goods in this list are priced for sale on a Cash with Order basis and are subject to no discounts whatsoever.

Minnesota Gladiolus Society

C. H. Sommer, Pres. Rush City, Minn.
C. H. Knutson, Vice Pres., St. Paul, Minn.
A. J. Mandehr, Secy., North St. Paul, Minn.

The Minnesota Gladiolus Society was organized eleven years ago for the purpose of creating greater interest and promotion of cultivation and improvement of the Gladiolus.

The Society has been very successful in staging exhibition and shows each year, but greater things could be accomplished if we had a larger membership.

Kindly accept this as an invitation to join our Society.

Advantages of \$1.00 membership are:

Member of the Minn. Gladiolus Society.

Member of the Minn. State Horticultural Society.

Receive the monthly Minn. Horticulturalist.

Privilege of attending meetings and competing for prizes in our shows.

Advantages of \$2.15 membership:

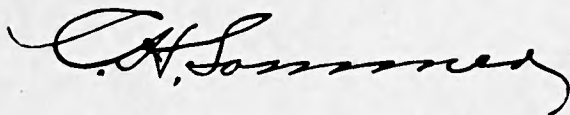

Same as \$1.00 membership, plus

Membership of New England Glad Society.

Receive the year book of N. E. G. S.

Receive three suppliments to the 'Gladiolus'

May we have your support.

President.
